| <b>Date</b>          | 24 June 2026                                    |
| <b>Team ID</b>       |                                                 |
| <b>Project Name</b>  | Human development index (HDI) Prediction System |
| <b>Maximum Marks</b> | 2 Marks                                         |

### Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

| Phase of Journey                                    | Stage 1                                                                                                                                                                                                                                       | Stage 2                                                                                                                                                                                                                                      | Stage 3                                                                                                                                                                                                                            |
